

DC 411 DISINFECTANT CLEANER

GENERAL DESCRIPTION

Norchem DC 411 is a concentrated liquid cleaner which cleans and disinfects in one low cost operation.

ADVANTAGES

- Economical - High concentration
- Effective - Cleans, disinfects and deodorises at the same time
- Non-flammable, non-toxic and non-corrosive
- Will not dull paint or floor finishes
- Safe to personnel and equipment
- Easy to use by any of the conventional cleaning methods

TYPICAL APPLICATION

Norchem DC 411 is used to clean and disinfect all accommodation areas such as kitchens, toilets, bathrooms and showers. On board vessels for the cleaning of cargo tanks, cargo holds, galleries, cabins, provision stores and rooms. Can also be used for the cleaning and disinfections of facemasks and other fabric materials.

USE DIRECTIONS

Depending on the degree of contamination and materials to be cleaned or disinfected, DC 411 can be diluted down from 1 part to 15 parts of water. Application is by any of the conventional methods suitable to your intended purpose. No further rinsing or flushing after cleaning as this may spoil the disinfecting effect to some extent.
